The Prime Events representative described the sort of event he wished to hold on the field on the 10<sup>th</sup> of August, He explained what licences he would be applying for and the insurances he had to cover such an event. The Council members had several questions regarding the various elements, such as toilet and litter collection provision and if local houses had been contacted regarding the event, which the representative said he had done and that everyone he had spoken to was very supportive. Having answered all the questions to the Council members satisfaction he left the meeting at 7.20pm.

As all questions had been answered satisfactorily it was agreed that the field could be used for the event as long as proof on insurances and licenses be shown to the Clerk prior to the event.
