Questions from the Public relating to items on this agenda (limited to 10 minutes)

1. Planning Applications out for Consultation.

The following applications were examined and discussed and comments formulated for entry onto the Planning Application Portal

2026/0227/FUL - 79 Southgate Road, Southgate, Swansea, SA3 2DH

Proposal: Front extension with inset balcony, two side dormer extensions, 2 no. roof lights, 2 no. sun pipes and fenestration alterations

We have no concerns regarding the change to the building line but we are unable to ascertain if the dormer windows will look into the neighbouring properties. Our only concern regards the shape of the dormers which have flat roofs and not catslide as preferred in the Gower AONB Design Guide.

Neutral comment Proposed by LJ seconded by JD agreed by all

2026/0272/FUL - 8 Norton Drive, Southgate, Swansea, SA3 2BJ

Proposal: Single storey side/rear extension and rear roof light.

No Concerns Proposed by RC seconded by LJ agreed by all
