1. Other Planning Applications

New Premises Licence Application - Pennard Golf Club, 2 Southgate Road, Swansea

At the last meeting the Clerk was asked to obtain details of the Current license which she did and the two versions were compared and discussed the following comment was formed for onward transmission to the licencing department:

We discussed the new premises licence application for Pennard Golf Club at our Planning Meeting this evening, below are our comments:

The change to the hours is not too different to what is in place currently and we have no issues regarding the Music changes.

However, we are concerned that changing to a "General Pub" could mean an increase in traffic and parking throughout the village, there could also be the possibility of a detrimental effect on other local businesses with a similar offering.

We are not against business expansion and diversification, but we do have a duty to the Community to be cautious and have concerns over what this could develop into, in the future.

We suggest if this application is approved, that it be trialled for 1 year only to start with so any problems can become evident and sorted out quickly.

Proposed by LJ seconded by JR agreed by all

2026/0462/NMA - 53 Southgate Road, Southgate, Swansea, SA3 2DA
